Background

The tengu bartender of the Demon and the Crow, a bar in Rickety's Squibs. Tends bar with the help of his tiefling friend Shiza, who he's known for years.

As a bartender in Port Peril and Rickety's Squibs, AwkAwk built up an impressive list of mercantile contacts, some of which specialize in the buying and selling of goods that may or may not have been obtained in the most legal of ways. This has resulted in AwkAwk being in a coveted and unique position among the residents of RS: a fence.

When plunder is brought before AwkAwk, he negotiates a price and contacts his merchant friends in Port Peril to pick it up. Rickety especially values this service when customers can't pay for repairs or squibbing, as Rickety will often take goods and plunder in lieu of gold.

Rumor has it that if someone crosses Rickety, they'll find the amount they'll get for their plunder is a pittance.

LIKES: Sunflower seeds, Shiza, fried earthworms.
DISLIKES: Eating any kind of roast bird.
