Background

The almost-perpetually drunk quartermaster of the Wormwood. Was lured onto the Wormwood from her old profession as a caravan guard through the promise of lots and lots of Shackles Rum. Her last name was the nickname she had as a guard; foes that tried to take her and her axe on would often find themselves headless.

Takes her job as quartermaster very seriously, though she lacks the magical inclination or the appraisal ability to know the true value of some of the items she has in her possession.

Unbeknownst to most of the Wormwood crew, Grok's combat prowess far surpasses Master Scourge and could even rival that of some of the higher Wormwood officers.

LIKES: Stories about death and murder, doing her job to the best of her ability, men who can cook, rum, Ambrose Kroop

DISLIKES: Things that don't die when you hit them with an axe
